Brown & Carlson named Star Tribune's Top Workplace!

Brown & Carlson's Senior Shareholders are thrilled to announced that Brown & Carlson has been named one of Minnesota's Top 150 Workplaces for 2017 by the Star Tribune! Of Minnesota's 15,000 employers, this places us in the top 1%.

This recognition adds to an incredible 25th Anniversary Year, marked by continued growth and exceptional work from all. We want to extend our sincere appreciation to our entire staff for their dedication, professionalism, and hard work which forms the foundation for Brown & Carlson's success. A special thank you is extended to Linda Brickley, a paralegal with the firm, whose initial nomination made this honor possible.

While we recognize it is our employees that make our firm unique and an outstanding place to work, we also want to take this opportunity to thank our clients who partner with Brown & Carlson to achieve exceptional results.

This has been an exciting and rewarding year for Brown & Carlson. We are tremendously proud of our entire team and are excited to share this recognition with our valued clients.
